About This Schedule

- Column 1 takes readers through the New Testament.
- Column 2 takes readers through the Psalms and Proverbs. It also includes four weeks of Advent Readings leading up to Christmas and nine days that follow Jesus through the week leading up to Easter. These seasonal selections are in orange text.
- Column 3 takes readers through the Old Testament other than Psalms and Proverbs.
- To prevent the frustration of falling behind – which many of us do when following a Bible reading plan – each week has only six readings. Sundays are left open to allow time to catch up or to review journal entries from the previous week.
